This Is Our Descriptive Wholesale Trade List for Spring 1936

[This List cancels all prices and terms of previous Mailing Lists Offering]
[Selected Divisions of Reliable and Dependable Commercial Varieties]

NOTE—We sell field-grown tubers only, no plants or pot roots offered for sale. We ship only selected A-No. 1 divisions showing eyes or sprouts, and guaranteed to be absolutely true to name. We don't substitute, and if sold out on a variety ordered cheerfully refund remittance.

Our stock is grown right to produce only healthy, firm tubers. Fields are sprayed regularly and carefully rogued. All plants showing signs of weakness or disease are immediately destroyed.

This farm is under the supervision of men who have life experience in growing Dahlias and in selecting and packing Dahlia tubers right to satisfy the most critical customers. Considering the high quality and healthy stock offered, our prices are very reasonable. Purchase elsewhere and compare our stock. Try it and be convinced. We annually receive hundreds of testimonial letters from satisfied customers of the florists' trade, seed houses and commercial Dahlia growers.

The Florist's, Gardener's and Dahlia lover's favorite list of reliable and dependable free-blooming varieties.

ONE OF OUR MANY UNSOLICITED TESTIMONIALS

Gainesville, Fla., May 21, 1935.

"Locust Valley Dahlia Farm,
"Wm. A. Finger, Jr., Mgr.

"We want to take this opportunity to thank you for the fine Dahlias sent us earlier in the season. We bought from you both in February and in March for our own planting, and the first lot, Jersey's Beauty, Mrs. I. de Ver Warner, Francis Larooco, Le Toreador and Jane Cowl are now in full bloom, and I have never seen finer plants and bloom, and we have been growing them for many years. I am glad to have found a grower from whom I can get high-grade, healthy, dependable Dahlias, and next season I intend to mail you my complete order for all my Dahlia needs early in the season. Your tubers sprouted practically 100 per cent and all produced strong, vigorous plants with very unusually fine bloom. You may quote me to anyone. No better stock can be bought anywhere than that you shipped me.

"Respectfully,

"McKINSTRY THE FLORIST,
"Per R. L. McKinstry."

Below, Bibb's Grace in a patch, tipped twice. Result, low growth, long stems, lots of flowers.

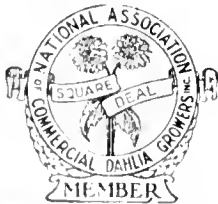

FIELD CLUMPS OF STANDARD VARIETIES

Having 400,000 clumps of named varieties in storage for the 1936 season, we can supply many varieties listed in selected field clumps (if ordered during Winter or early Spring months).

The commercial varieties marked * can be supplied in large quantities.

Clump orders will be reserved in storage for Spring shipment. Terms as per trade list.

Prices—Selected Clumps of a variety "if still available" are offered at twice the list division price.
